Yesterday evening, it was wonderful to welcome over 30 families, both from Howell's and local schools to our second Co-Ed College Open Night of the academic year. Students had the opportunity to attend taster lessons, while their parents attended short information sessions during which they found out more about College life and the opportunities it brings. Many thanks to the College students who helped out - they were all superb ambassadors for the College.

On Wednesday morning College students gathered in the Dining Room for their Big Breakfast to raise funds for the vital work undertaken by Headway, a charity that works to improve life after brain injury by providing vital support and information services.
